Summary

I am a computer science student at Damascus University with a passion for network administration and motion graphics. I have completed an intensive course on network professional administration at the Syrian Computer Society and gained hands-on experience as a motion graphic designer at Zeta Unite Animation Studio and Utopians. I also enjoy participating in programming competitions and coaching young students at SyBots. I am always eager to learn new skills and technologies and to connect with other professionals in my field.

Experience

Otom8

Remote

Graphic Designer

10/2023 - 05/2024

- As a graphic designer, I thrive on curiosity and continuous learning
- Collaborating with industry leaders, I've crafted authentic designs for Ejet Alkaharaba, Cialdini Arabia, Misto Prenuer, and Almountada
- Highlights include branding solutions, social media content, UI design, and animations that resonate with authenticity and creativity
- Driven by a passion for learning and excellence, I bring creativity and authenticity to every project

SyBots

Damascus

Robotics Coach

06/2023 - 03/2024

- Member of SyBots Robotics for 10 months
- Learned how to use the REV kit Robotics and code a basic robot using Java
- Participated in organizing an Open Day event, demonstrating leadership and communication skills
- Contributed to creating creative content for SyBots website and social media platforms
- Learned how to organize meetings effectively and efficiently
- Learned how to give classes and train other students on teaching robotics
- Realized the importance of preparation and listening to learn and improve skills

Zeta Unite Animation Studio

Damascus

Motion Graphic Designer

02/2021 - 05/2021

- As a motion graphic designer at Zeta Unite Animation Studio, responsible for creating engaging and dynamic animations for various projects including logos, videos, and social media posts
- Utilized Adobe Premiere Pro, Adobe Illustrator, After Effects, and Adobe Photoshop to design and edit animations based on clients' specifications and feedback
- Collaborated with other designers and animators to maintain quality and consistency in final products
- Developed skills in working under tight deadlines and delivering high-quality results
- Work samples available on profile
